PRIME MINISTER · PREMIER MINISTRE

I am pleased to extend my warmest greetings to everyone participating in the 14th annual Korean Cultural Heritage Festival hosted by the Korean Cultural Heritage Society.

This event provides an ideal opportunity to celebrate the many contributions made by Korean Canadians to our country's growth and development. I am sure that this festival will be a worthy reflection of your pride in your heritage and will provide a wonderful opportunity for visitors to learn more about our Korean-Canadian community and its rich culture.

I would like to commend the members of the Korean Cultural Heritage Society for bringing this festival of food, children's activities, and cultural performances to the Lower Mainland year after year. You should take great satisfaction in your efforts to preserve and celebrate the unique traditions of Korea in Canada.

On behalf of the Government of Canada, I offer my best wishes for an enjoyable day.

Greetings

On behalf of Burnaby City Council and the citizens of Burnaby, greetings and best wishes for a successful and memorable Korean Cultural Heritage Festival on August 8th, 2015 at Swanguard Stadium.

This festival is emblematic of the multiculturalism that makes Canada and Burnaby so unique and is something we are honoured and excited to have in our community. With the theme of this year's festival being the "Dynamics of Modern Korea", it is a wonderful opportunity to showcase the fusion of various traditional and modern elements that have made Korea what it is today.

It is also exciting to welcome back for the second consecutive year, from the world's foremost Taekwondo organization, the Kukkiwon Taekwondo Black Belt Demonstration Team. Travelling all the way from Seoul, South Korea to participate in the festival, this rare opportunity to see such a high level of Taekwondo is very much appreciated and we thank the Korean Cultural Heritage Society and Kukkiwon for their efforts in making this possible.

Beyond world-class Taekwondo, I hope that everyone will come out to enjoy the huge selection of activities and performances including a K-Pop competition and concert, a food pavilion with traditional and contemporary cuisine, art exhibitions, traditional games and crafts, and more. Thank you again to the festival organizers, volunteers, performers, and attendees for making this one of the largest and most successful multicultural festivals in the entire region and I hope that everyone has an enjoyable and memorable time.

Sincerely,

Derek R. Corrigan
Mayor

A Message from Premier Christy Clark

As Premier of the Province of British Columbia, I am pleased to welcome everyone to the Korean Culture Heritage Society's 14th Annual Festival, here at the Swanguard Stadium in Burnaby.

I think it's wonderful to see the Korean community gathering in celebration of its culture and history, and sharing that pride with others. Events like this are what make British Columbia such an amazing place to live, where we embrace opportunities to learn about one another's heritage. The Korean community has brought so much to our province, and it's exciting to see its many traditions being celebrated here today.

I'd like to take this opportunity to thank all the organizers, volunteers and artists for their hard work in making this festival such a resounding success. This event is a great gift to the community and I know that everyone will love the planned performances and other attractions.

Please accept my best wishes for a memorable festival.

Sincerely,

Christy Clark
Premier

Dear Friends,

On behalf of the Korean Cultural Heritage Society of BC, I warmly welcome you to the 14th Annual Korean Cultural Heritage Festival.

In Canada, our national unity is upheld by our deeply rooted love and respect for diversity. Recognition of various cultures, old and new customs is perhaps one of the greatest strengths of this great nation. This cultural diversity is at the very heart of the Korean Cultural Heritage Society and this festival.

Our festival is not only to preserve Korean heritage, but also to celebrate a multicultural Canada with our fellow citizens.

I would like to thank the Ministry of Culture, Sports and Tourism of South Korea for their cooperation in securing the Kukkiwon Team again this year. Kukkiwon – as the World Taekwondo Headquarters is the backbone of this martial art and we are honored to be able to again, showcase the highest level of Taekwondo to our fellow Canadians.

I would like to especially thank the City of Burnaby, TD Bank and Kia West for their continued support. I would also like to thank our corporate and media sponsors, exhibitors and performers. Last but not least, I would like to express gratitude to all the dedicated members of the KCHS: directors and volunteers for their commitment and perseverance and sacrifice in making this event possible.

Sincerely yours,

Peter PW Suk
Chairman & President
