PRIME MINISTER • PREMIER MINISTRE

August 5, 2017

Dear Friends:

I am pleased to extend my warmest greetings to everyone taking part in the Korean Cultural Heritage Society Festival.

This occasion offers a wonderful opportunity to celebrate Korean culture and heritage. With a wide array of performances and activities for the whole family, this event is sure to please everyone in attendance.

I would like to commend the organizers, performers and volunteers for bringing this uplifting event to the community, and for giving Canadians of all backgrounds a chance to celebrate the many accomplishments of Korean-Canadians.

Please accept my best wishes for an enjoyable and memorable day.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.  
Prime Minister of Canada

### A Message from Premier John Horgan

It is my great pleasure to welcome everyone to the 16th annual Korean Cultural Heritage Festival. This festival gives everyone the opportunity to experience Korean art exhibitions, cultural events and traditional cuisine, in the vibrant community of Burnaby.

This year the Kukkiwon Taekwondo Demonstration Team will be performing for an unprecedented third time, thanks to the generous support of the South Korean government. The team travels the world to allow people from many countries to experience the spirit of Taekwondo. Their agility and skill is a true treat to experience.

In honour of the sport, Province of British Columbia joined the cities of North Vancouver, Burnaby, and Vancouver in proclaiming Kukkiwon Taekwondo day. I hope you get a chance to enjoy their performance.

We are truly blessed to live in a province where diversity is celebrated and cultures are shared.

We are all richer because of the generosity of the Korean-Canadian community. The Korean Cultural Heritage Festival is just one of the ways that our province has been made better by the contributions of Korean British Columbians.

On behalf of myself, and the Government of British Columbia, I am wishing you a very happy festival, filled with good times, good food, and good friends.

Sincerely,

John Horgan  
Premier

## GREETINGS

On behalf of Burnaby City Council and the citizens of Burnaby, best wishes for a successful and memorable Korean Cultural Heritage Festival on August 5th, 2017 at Swanguard Stadium in Burnaby. This festival is emblematic of the multiculturalism that makes Canada and Burnaby so unique and is something we are honoured and excited to have in our community. With the theme of this year's festival being the "Dynamics of Modern Korea", it is a wonderful opportunity to showcase the fusion of various traditional and modern elements that have made Korea what it is today.

We are again excited to have some tremendous Taekwondo performances taking place this year along with the huge selection of activities and performances including a K-Pop competition and concert, a food pavilion with traditional and contemporary cuisine, art exhibitions, traditional games and crafts, and more.

Thank you again to the festival organizers, volunteers, performers, and attendees for making this one of the largest and most successful festivals in the entire region and I hope that everyone has a wonderful time.

Sincerely,

Derek R. Corrigan  
Mayor

## A Message from Chairman & President of KCHS

On behalf of the Korean Cultural Heritage Society of British Columbia - I would like to welcome you all to the 16th Annual KCHS Festival.

Our volunteers have worked passionately to bring you this live event: a day that celebrates Canada's multiculturalism while showcasing the best of both traditional and modern aspects of Korean Heritage.

This event would not have been possible without the generous support of our sponsors. I would especially like to thank TD and the TD team lead by Catherine Cook for their on-going support and dedication to this event. I would also like to thank our guest from South Korea, President Oh and the KUKKIWON team for performing - once again - at our festival this year.

I would like to especially thank Prime Minister Justin Trudeau, Premier John Horgan and the Consulate General of the Republic of Korea, Mr. Gunn Kim - for their warm remarks.

I would also like to thank all the MLAs and Hon. Ministers for taking time out of their busy schedules to attend this event. A special thanks to Mayor Corrigan and Council of the City of Burnaby who have continued to champion this event and support our society for so many years.

Once again, thank you all for attending. Have a wonderful time with us today.

Peter (PW) Suk  
Chairman and President

## Korea Kukkiwon Taekwondo Demonstration Team

Founded in 1974, the Taekwondo Kukkiwon Demonstration Team is the Kukkiwon's primary tool in its efforts to promote the sport and Korea's national image overseas.

Composed of 70 of Korea's top taekwondo practitioners, this team has visited over 100 countries so far in order to introduce and spread Taekwondo and the Korean culture world wide. Such performances enhance Taekwondo's global appeal and the value of Korean culture.

In addition, the team presents a new model of Taekwondo demonstration that sticks to the traditional ways but at the same time adapts to changes whenever necessary.

It also contributes to the tourism industry by planning and performing regular demonstrations for international tourists visiting Korea.

## Kukkiwon, the Center of Taekwondo Culture

Kukkiwon as the World Taekwondo Headquarters has vitalized Taekwondo in the form of the leading martial art by globalizing it since its foundation 1972.

It laid the groundwork for Taekwondo's globalization by holding the 1st World Taekwondo Championships and establishing the World Taekwondo Federation(WTF) in 1973.

Kukkiwon devotes itself to spread Taekwondo culture, spirit and history worldwide, increasing the best competitive power of Taekwondo as a martial art in life.

## Proclamations of Taekwondo Kukkiwon Day

The Provincial Proclamation of Taekwondo Kukkiwon Day in B.C. was the first of its kind.

This initiative was made possible by the joint effort of the Korean Cultural Heritage Festival and the B.C. Taekwondo Federation when city wide Proclamations were granted in the cities of Burnaby, Vancouver, and North Vancouver.

K-POP (Korean pop music) is a musical genre originating in South Korea that is characterized by a wide variety of audio visual elements.

It could comprise all genres of "popular music" within South Korea, but the term is more often used in a narrower sense to describe a modern form of South Korean pop music covering a range of styles including dance-pop, pop ballad, R&B and hip-hop music.

On July 22, the K-pop competition semi final happened at the Korean Cultural Center in Vancouver. There were fifty four groups and soloists who preformed and twenty-three will move on to the finals at the 16th annual Korean Cultural Heritage Festival. The participants varied in ages, cultural backround and some even had their own song and choreography which proves that K-pop has a very dynamic effect and has taken an international toll.
