As Premier of the Province of British Columbia, I am pleased to welcome everyone to the 19th annual Korean Cultural Heritage Festival.

By enhancing appreciation for the rich diversity of Korean heritage, this event showcases the vibrant multiculturalism that make our province such a diverse and welcoming place to live, and we are fortunate to benefit from opportunities like this for education, entertainment, and enrichment. After spending time apart to keep each other safe it is wonderful to see friends and families coming together to reconnect and enjoy all the festival has to offer.

I would like to commend the Korean Cultural Heritage Society along with all the volunteers, performers, and sponsors who have made this event possible. The time, energy, and dedication that goes into planning a festival of this magnitude is truly admirable, and I have no doubt that it will be a memorable experience for everyone in attendance.

Please accept my best wished for a spectacular festival!

**HONOURABLE JOHN HORGAN
PREMIER OF BRITISH COLUMBIA**

I am once again thrilled to give my most heartfelt congratulations to the Korean Cultural Heritage Festival. The Korean Cultural Heritage Society holds a special place in my heart, born from the many happy years we've shared as community partners and close friends. I am so honoured to join you all at this event and to celebrate this beautiful community.

Diversity and multiculturalism are what make our province such a beautiful and welcoming place, and the Korean Cultural Heritage Society is a fantastic example of this. By hosting this festival each year, we are given a chance to gather and celebrate our Canadian-Korean community. After many months of isolation due to the pandemic, these events are more important than ever. I am thrilled for more people to experience the warmth and joy that this festival has to offer.

Thank you to the volunteers, performers, and event organizers for giving us yet another fabulous celebration. I am proud to support this organization, and. I am so excited to continue our thriving friendship for many more years to come!

**Anne Kang, MLA
Burnaby-Deer Lake**

I would like to offer my best wishes for a successful and enjoyable 19th Annual Korean Cultural Heritage Festival. This year on December 9th and 10th, the Korean Cultural Heritage Society will once again bring together people from all communities and backgrounds to enjoy a variety of Korean cultural demonstrations. Attendees will have the pleasure of enjoying an orchestra concert, taekwondo demonstrations, K-pop performances, and Korean traditional dances. I have no doubt that this will be a very special event for all who attend, especially as we come together after a long time apart due to the pandemic.

The Korean Cultural Heritage Festival plays an important part in the Korea-Canada relationship. It is through the exchange of cultures and traditions that we become more connected as people, and this event serves as wonderful opportunity for Canadians to learn more about Korea and its vibrant culture.

I would like to express my deepest gratitude to the president of the Korean Cultural Heritage Society, the organizers, volunteers, performers, and participants for contributing to the success of this event. I offer my best wishes for the enjoyment of all those who are fortunate to attend.

Byung-won Chung
 Consul General of the Republic of Korea in Vancouver

First, I would like to thank all of you who attended our 19th Annual Korean Cultural Heritage Festival. Even though our festival traditionally takes place every year at the Swanguard stadium, last year and this year's festival in summer season had to be cancelled due to the Covid pandemic. However, I am greatly pleased that we are still able to hold a unique Korean festival which will consist mainly of indoor concert type performances over the span of two days right as we approach winter in this great city of Vancouver.

I am particularly excited about the orchestra performance made possible by this year's special indoor Korean festival. Korean entertainment has taken the world by storm recently and I firmly believe that Korean culture in general including Korea's diverse range of traditional dance will also be loved just as much.

I would like to thank all the directors and members of the performance groups that made this year's festival the best show as can be. I would also like to thank all the volunteers because this festival wouldn't have been made possible without their hard work. Finally, I would also like to express my gratitude towards everybody else starting from TD to all of our other sponsors who gave their full support to make this festival happen.

Now I say, why don't we leave this tiring pandemic behind us, and indulge in this special string of performances?

Dongwhee(David) Shin
 President of the Korean Cultural Heritage Society
